Welcome to the Wichita and Affiliated Tribes Mentor Program. Below are some general guidelines that you will be expected to follow. As a mentor, remember that you are being held to a very high standard, and you are setting an example!

- *Remember to set an example for manners. (Please, thank you, yes sir, no ma'am, etc.)
- *Although you are allowed to bring your cell phones, please be mindful of staying off the phone and being attentive to your mentee.
- *You are expected to conduct yourself in a respectful, appropriate manner at all times.
- *No profanity or inappropriate language.

Thank you for spending time with our youth. It is our goal not only to give our younger kids mentors and positive relationships, but for you to gain a positive experience from this also. If you ever have any questions, comments, or concerns, do not hesitate to come talk to me.
