Wichita and Affiliated Tribes

Enrollment Application

INSTRUCTIONS

Required Documents for ALL Applicants -

- A fully completed signed and dated Enrollment Application.
- An ORIGINAL State Certified Birth Certificate, copies will NOT be accepted. <u>No</u> DNA test results or signed Paternity Affidavits will be accepted. The Wichita parent <u>must</u> be named on the Birth Certificate.
- A legible copy of the original Social Security card of the applicant only.

Other documents that may be required -

- **Parent's Birth Certificates** if <u>neither parent is currently enrolled</u> with the Wichita and Affiliated Tribes, Birth Certificates will help to establish proof of descendancy to the original Wichita allottee.
- Grandparent's and/or Great Grandparent's birth Certificates and CDIB cards if enrolled with another Tribe (if needed) if neither grandparent is enrolled with the Wichita and Affiliated Tribes, a Birth Certificate will help to establish relationship to the original Wichita allottee, as well as creating the Wichita bloodline. A tribal CDIB from another Tribe will help to establish the total blood amount, even though as of October 1, 2016 only Wichita blood will be counted and reflected. If you cannot provide proof of additional blood, aside from Wichita, it will be noted.
- An **ORIGINAL** State Certified Birth Certificate **BEFORE** an Adoption.
- The **ORIGINAL** formal Adoption Decree, if applicable.

Additional documents may also be required depending on the individual application. The burden of proof lies with the applicant or the minor applicant's parent and/or legal guardian.

Instructions for Completing the Enrollment Application -

- You must answer **ALL** questions on the application. Do not leave any question blank. If you have any questions, call the number listed below for instructions.
- Complete the attached 'Family Tree' template as much as possible.
- All question on the application refer to 'yourself' if you are the applicant. If you are completing the application for a Minor, then any questions would apply to the minor child.
