BOND REQUIREMENT

Pursuant to Section 13(4) of the Hemp Production Code, the Producer is responsible to pay the costs of disposal for any nonconforming hemp plants that test higher than three-tenths of one percent (0.3%) THC concentration.

To ensure the Producer is able to pay the reasonable costs of any non-conforming hemp disposal, the Wichita Tax Commission requires a bond or cash deposit in an amount of \$1,500.00 per acre of industrial hemp crop the Producer cultivates.

The amount of the Bond required per acre of cultivated crop is subject to change based on the costs of disposal. This Bond shall be re-evaluated each year at the time the Producer re-applies for licensure within the jurisdiction of the Wichita and Affiliated Tribes.
