Summer Intern Program Wrap-Up

The intern program is complete, and the students are back in school. Five interns completed this year's program. Two of them were interviewed last month and the remaining three are featured on page 14. The program was held at the Wichita Tribal Complex where the interns worked with the SummerSmart Youth Program and within Tribal programs. The students were required to work with the SummerSmart Youth Program the first part of the day and occasionally attend field trips. The second half of the day the intern worked, observed and participated in all programs including Administration, Education, AoA, Social Services, Health, Culture, Environmental Protection, Food Distribution, Transportation and TERO Programs along with many other programs not listed. The interns were rotated among the departments. The week of June 29, 2015, the interns were required to write and research other Tribes and do a comparison to the Wichita and Affiliated Tribes programs. The second half of the program began in July and allowed the interns to work more in depth in a specialized area.

These interns also got a chance to tour our enterprise in Houston, Anadarko Industries and tour NASA facilities. They visited Ark City, Kansas to see the largest archeological find in Wichita history, as well as tour the offices of Tribal attorney firm, *Hobbs, Straus, Dean, & Walker*, and Tribal accountant firm, *Finley & Cook*. Photos from some of these activities are seen on this page.

Ni:cho:ʔe:kitakih to:kʔas From the President Terri Parton

**President’s Report
July Edition
By Terri Parton,
President
July 31, 2015**

The month of August is upon us. The summer has went by fast. We’ve had a lot of activities. This month is the 40th year of our Annual Dance. We hope that you all will come out and join us. Below are some updates on things that have been going on.

Annual General Council Meeting Notes

I would like to thank Amber Luke, Phealin Whish and Craig Watkins for their work on live streaming the Annual Meeting. Below are brief notes from the Annual General Council Meeting. These are not all inclusive. We did have a stenographer during the meeting and we will have a record of the entire meeting.

Below are BRIEF notes that I took from the Annual General Council Meeting. On Saturday, July 18, 2015, the Annual General Council Meeting. A quorum was established. Over 50 tribal members participated in the meeting. Karen Rose made a motion and Gary McAdams seconded the approval of the Minutes from July 19, 2014. Motion carried 18-0-0. The Tribal Administrator, James Nelson, gave a report on the programs. Intern reports were given by Jessika Jones, Aleasia Wauahdoah, Lucius Saldana, Dylan Williams and Myah Miller. I gave my report as President. A brief update was given on the Hinton Travel Inn. There will be another meeting scheduled sometime in September to discuss the hotel and budget. We did not go over the PowerPoint by Hobbs, Straus, Dean and Walker, but excerpts from their PowerPoint are included in a reported in the next newspaper. A motion to stop the live stream was made by Raymond Davilla and seconded by Betty Kauley. Motion failed 9-23-5. A handout from Finley & Cook on the financials was provided but no oral report was given. Information on the current budget was provided for the Treasurer’s Report. Sugar Creek Casino gave a report including an update on a new fascia wall that will be going up on the south side of the casino. Brian Pogue gave the report for WTIDC. Vanessa Vance asked questions regarding Wichita Tribal Enterprises. A correction to the WTIDC report regarding Wichita Tribal Enterprises was to be made. The Council broke for lunch that was catered by Swadley’s. Shirley Davilla gave the Wichita Housing Authority Report. Edward Stephenson gave the

Wichita Tax Commission Report. Sandra Wilson gave the Wichita Gaming Commission Report. Ms. Vance asked if the WEC had to be licensed. Ms. Wilson explained that she checked into it and that the elected officials do not have to carry a gaming license. In Other Business, discussion was held on the pros and cons of a revenue allocation plan. After changing the motion a few times, Ms. Vance made a motion to from a Revenue Allocation Planning Committee to develop a plan to bring to the council within 90 days. Sandra Wilson seconded. Motion carried 26-0-9. Betty Kauley made a motion to appoint Sandra Wilson and Vanessa Vance to the Committee. Jeanne Davilla seconded the motion. Motion carried 30-1-4. Pamela Pogue, Rachel Crawford, Marcella Ruckman, and James Nelson also volunteered to be on the Committee.

During discussion, I cautioned that casino financials have changed some due to increased minimum wage for casino employees and the significant increase in licensing fees that the Wichita Gaming Commission is charging to Sugar Creek Casino. The Wichita Gaming Commission took over surveillance but the licensing fees have increased from a little over \$100,000 to 1 million a year. This was about a \$500,000 increase in the licensing fee and the amount budgeted by the casino the previous year for surveillance. If a Revenue Allocation Plan is put in place and implemented now, tribal members MAY get \$300 apiece as a once a year payment but we would not be able to pursue further economic development without taking on debt for any project we do, would more than likely have to cut jobs and program funding which includes services to our people when they really need it. I explained that many of our programs are supplemented by the Tribe. Frank Galindo explained that the Tribe needed to be cautious regarding a Revenue Allocation Plan. Many of our people rely on the programs, assistance in times of need and the jobs that are provided by the revenues we receive from the casino revenues and our other businesses.

Discussion was held on the Indirect Cost Rate. I explained that the Indirect Cost Rate is high but it covers a lot of things such as insurance, accounting, audit, space cost, utilities, maintenance staff, Tribal Administrator salary, procurement, property, administration staff and many other things. It was combined so that billing would be simpler than dividing many

of the bills up by 30 or more programs. If we lower the rate then staff would be affected.

Discussion was held on Health Insurance for Tribal members. I explained that the Committee has had discussions and some quotes for health insurance and that Ms. Vance had done some proposals for self-governance that we have not received notification on. Anna Haddon voiced her concern about IHS. The meeting adjourned at 2:37 p.m.

As President, I would love to be able to provide a per capita payment to our people. I just don’t think it is the right time right now. We need a hotel and other businesses to promote growth in the area surrounding our casino. We need to provide our children with education so they can come back and work in our businesses. We need to provide more jobs for our people that will have a lasting benefit to them and their families. We need to provide health care for our people. We need to develop other businesses so that we don’t rely solely on our casino revenues. We will have to take on debt to do some projects, but we have been fortunate enough to pay off our casino, build an event center without debt, purchase land through a loan and have now paid off many of those tracts of land and have been able to provide more services to our people.

In addition, our children’s clothing program and elder payment program are services that are provided by our 8(a) companies. Those were in place many years ago and eventually went of way because the Tribe could no longer afford them. We really need to invest back into our Tribe to promote growth, create jobs, provide education for our children and leave something behind for our children and future generations.

Visitation

This year the Wichita/Pawnee Visitation was held here at the tribal complex. We had a really good time. Hopefully, in the next newspaper, Gary McAdams, will give some more information on this years visitation. Thank you to all that participated and assisted Mr. McAdams and his family in making our Pawnee relatives feel at home.

Houston Trip with Interns to Anadarko Industries

On July 27th and 28th, I was able to take the Interns to Houston to visit Anadarko Industries and NASA. The trip was paid for by Anadarko Industries. Anadarko Industries

is our 8(a) company that does government contracting. The Tribe is 51% owner in the company. We talked to the staff about their educational background, work experience, experience with the company, putting contracts together, and the various government agencies that they contract with. The explained one of the contracts that they recently submitted as a subcontractor. They found out later that evening that the contract was awarded. The contract is the Human Health and Performance Contract that supports NASA’s Human Spaceflight Program. Anadarko Industries (AI) will get 20 or so positions on the contract according to Kenn Hall, Vice President of AI. We also visited the Johnson Space Center. Later that evening we had dinner with the staff of AI and spent time on the Kemah Boardwalk right off of the bay. On Tuesday Morning we visited the Neutral Buoyancy Laboratory where we watched Steve Swanson, retiring astronaut, take the last dive of his career. We started this trip last year with the first group of interns. We hope to continue it in coming years. It gives the interns a multitude of experiences including, first time flyers, those who have never seen the gulf, those who haven’t been away from their parents, experience of knowing that there is a wide variety of careers that they can go into where they can come back and benefit the Tribe. Our children our future and it is important to invest in them and give them these experiences. It is important to recognize, Tom Short, Kenn Hall and all of their staff for all of their work in getting the trip set up for our youth. So:ti:cʔa.

The Annual Dance

This week begins our 40th Annual Dance. We have new lights for the arena, the maintenance staff have been working hard to get the arena ready and have been working in the heat to get fresh willows. Their work is very much appreciated. It has been hot outside. Also want to recognize the Dance Committee, Beth Parker and Gary McAdams for the work that they do in preparing for our Annual Dance. Their work is also appreciated.

On Thursday night, Wichita Night, my family and I will be providing the meal with the assistance of some great Wichita women in the kitchen. Last year I pledge the meal for Wichita Night and I want to make sure that I honor that pledge to feed our people. One of my mentors always talked about how it was good to make sure to feed our people and how you feed your people

to show appreciation. I have enjoyed serving our people the last three years and wanted to make sure that I had the opportunity to do so in my capacity as President. We will have a traditional meal. Please bring your lawn chairs, come out and enjoy the evening with us as we celebrate the 40th year with a Headstaff of young people as our head dancers.

Cemetery

I would just like to remind people to please make sure that you remove all debris and old flowers from graves. It is very hard to keep the cemetery looking nice when there is a lot of things on the graves. Our maintenance staff does a good job but they can use your assistance with removing the flowers.

Wichita History Center

A request for qualifications was sent out. We received six responses to the RFQ. We are scoring the applicants and will be holding interviews with the design-build teams soon.

American Heart Association Scholarship

On Tuesday, July 28, 2015, the Wichita Executive Committee, by a vote of 6-0-0, approved the use of the \$2,500 American Heart Association Scholarship to provide for two scholarships in the amount of \$1,250 in the spring of 2016. Applications for the scholarship will be available beginning September 1, 2015. The application deadline will be November 30, 2015. Anyone currently in an undergrad program, graduate program, law school or pursuing their doctorate will be eligible to apply. More details will be in the next newspaper.

Clothing Receipts

Please do not forget to turn in your clothing receipts.

Mazzio’s Update

Demolition has begun on the Mazzio’s building. The building is expected to be completed in the next 60 days.

Conclusion

As the thought a revenue allocation plan is discussed, it is important to have a vision for the future for our Tribe. As leaders, we look ahead to future generations while learning from the experiences of our elders. We always want to make sure we leave something behind for our children and those that come after us. We want to provide our children with an education, our people with jobs and opportunities, adequate health care and we want to be able to see our Tribe grow and prosper. We do this by working together and having the same vision to see good things for children and future generations. Please just pray about the decisions that come before your leaders and our Tribe in the future. May God bless each of you and your families! So:ti:cʔa!

Annual Program Reports to Tribe

Procurement Department Annual Report for FY 2015

Purpose:
Federal regulations require contractors and grantees to establish a system which will enable them to obtain required supplies, equipment, real estate, intangible assets, construction and services in an effective manner, and in compliance with the provisions of applicable federal law, regulations, and executive order.

Policy:
All programs of the Tribe shall requisition their requirements for all supplies and tangible equipment of any kind through the Procurement Office of the Tribe, with the provision that the only exceptions shall be by written permission of the Executive Committee, President, or Tribal Administrator.

Summary:
During the last year our office has continued to change some of the processes it takes to request a Purchase Order. During the last three months that process has been streamlined and went paperless, these changes will make it easier for our Program Directors. This process has been a learning experience in which we are still trying to learn short cuts. It has given our department more time to work on things that have been on the back burner. We have been and continue to update our inventories and make changes for each program. Our office continues to do the ordering of goods and receiving of the goods. We also take care of the records and property.

We have already had an auction of surplus items. The date and the time were advertised in the Tribal newsletter and the Anadarko Daily News. Thank you for all that came and helped.

Note

Hello all,

Sorry for the delay in this month’s distribution. This is a hectic time of year for our people. With the annual meeting, Wichita/Pawnee visitation, American Indian Exposition, and the upcoming annual dance, we have been busy to say the least. This issue is our biggest yet, and I expect next month’s to be this size or larger. Due to reports being included in this issue, space was limited. Therefore, photos and stories from these events will be held for next month.

Last month, July 18, 2015, we held our first live streaming annual meeting. This was available through a link from the Facebook page and other social media sites to Ustream. We will be doing more streaming videos soon, so watch these channels for updates.

We will be filming the events at the annual dance, as well. Some of this content will be streamed, some uploaded to social channels, and we are planning a compilation DVD for the 40th Annual Wichita Dance. Be on the lookout for more information in the coming weeks.

Again, I would ask that you follow our website and social media for the most up to date and varied, relevant information about tribal happenings and issues.

So:ti:c?a,
Amber Luke

Upon being hired in October of 2014, I attended the Indian Reservation Road Training course offered by the Falmouth Institute. This class was designed to provide vital information regarding

the Reservation Road Planning process, Road Inventory, and Project Construction. The Transportation Program is also initiated the Road Scholar Program training offered by the Local Technical Assistance Program (LTAP) in Stillwater, Oklahoma. The Road Scholar Program is an educational certification series offered to Tribes, County Commissioners, Road Foreman and Road Hands. It offers courses related to technical aspects of maintaining roads and bridges in rural Oklahoma. I attended the Project Management course of the program which provided guidance over the management of projects including quality, safety, and estimating construction projects. In December of 2014, the 2% Transportation Planning Program and WEC revised and initiated the FY-2015 Transportation Program Priority List placed the maintenance equipment fund, the travel plaza/museum access road and parking lot, and paving of the Wichita Cemetery Roads at the top of the list. The department also submitted the FY 2015 MAP-21 Referenced Funding agreement to our local regional BIA representative. In January of 2015, the Transportation Program began obtaining quotes for various pieces of equipment in the FY-2015 priority list. Once the quotes were obtained it was determined that the equipment would be purchased under a different program. On January 29, 2015, I attended a meeting set up by the Office of the assistant secretary of Indian Affairs to review proposed regulations that govern the BIA’s Tribal Transportation Plan in order to comply with MAP-21. The proposed rule reflects changes in the delivery options for the TTP available to tribal governments as well as a clarification of the requirements for adding or keeping roads on the National Tribal Transportation Facilities Inventory. The WEC also passed resolution WT-15-52 which authorizes use of the Transportation Improvement Program (TIP) funds specifically for bridge projects. This project will replace and reconstruct a bridge over Keechi Creek in northern Caddo County and the TIP Bridge program funds will go towards project materials requested by Caddo County Commissioners. The transportation program also purchased and installed a sign that was requested to slow down traffic going between the administration and social services building due to there being children playing near the road. In April the Transportation program submitted an application to receive funding from the BIA Indian Highway Child Passenger Seat

program. If awarded, it will provide the Tribe the opportunity to hold events that will demonstrate proper installation of safety seats, inspection of installations, and distribution of child safety seats to the community. Due to the large amount of rainfall in early May, the Wichita cemetery roads have been damaged by erosion causing deep ruts making some of the roads impassable. The Transportation Program has been working with civil engineers from the BIA Department of Transportation to address the erosion problem. After surveying the property, plans for erosion control solutions are being made and the project will go to bid soon after. Once the erosion problem is taken care of the Transportation Program will develop plans to have the cemetery roads paved. On June 2, 2015, I attended the LTAP Road and Bridge Surveying Training in Stillwater. The training provided hands-on experience with various tools and equipment used to survey land. The course included field work that allowed participants to apply their road and bridges training in an outdoor environment. The Transportation Program is also currently soliciting estimates to have the Iscani Housing addition’s parking lots and roads restriped and will be replacing many of the damaged signs on the property. If there are any questions regarding the Transportation Planning Program, please contact Samuel Riffel, Transportation Director at samuel.riffel@wichitatribe.com or 405-247-2425 ext. 159

- Improving Parenting Skills Classes
- Created "School Readiness Program" for School Age
- Wichita Child Development Center will become a 0-4 yrs of age Child Development Center.
- Plan is to continue to have a possitive impact on the children and families in the community.

Information about the new Wichita-School Readiness Program:

- WTIDC purchased facility formerly known as Mazzios, located at 1516 Mission, Anadarko.
- CCDF will lease property to operate the Wichita-School Readiness Program.
- The building renovation will begin soon for Wichita-School Readiness Program.
- The Mission of the Wichita-School Readiness program is to create a highly focused school readiness and school success program that reflects age-level objectives established by the Oklahoma Department of Education.

**School readiness = children possessing the skills, knowledge, and attitudes necessary for success in school and for later learning and life. School readiness includes expectations of children's status and progress across domains of language, reading comprehension, literacy development, general knowledge, approaches to learning, physical health and well-being, motor development, social and emotional development. School readiness leads to school success. If we further develop the readiness skills, the foundation will be in place to continue to build skills and knowledge for their future.*

The school readiness and school success program will provide after school tutoring from 3:15-6pm weekdays. A curriculum will be used by a certified teacher. Input from the regular classroom teacher (s) and parent (s) will be considered when identifying strengths and concerns developmentally. Areas of concerns will be strengthened and strengths will continue to thrive. The results of the program will be visible through grade improvement, graduation which could lead their path to a Junior College, Technical School or a 4- year University.

When the Anadarko Public Schools are closed for non weather related breaks, the facility will be open from 6am-6pm. Educational day camps with the entire focus on one subject will be presented throughout the week. (Science/Language/Math/Literature camps)
Example: Math day camp-Children will have an entire week of math related activities, games, simple, safe cooking activities to promote math use, field trips, speaker presentations etc...

Teachers and teacher assistants will work with the children to complete their homework. This is the one-on-one time. Based on enrollment, there may be additional staff hired. Potentially, there could be 40 children enrolled in the Wichita – School Readiness Program. Parents will have some financial obligation or ownership in their childrens education. A sliding fee scale is being deveoloped that will assist in making the program affordable to all children and families. The program may be subsidy based or private pay.

Thank you for the opportunity to serve the Tribal families and work with Tribal staff. I am looking forward to another successful year.

Respectfully,
Kathy Hopen,
CCDF Director

General Assistance Program

To date the WDEP GAP has been primarily focusing on recycling, we have developed a close working relationship with the Fort Sill Recycling center. GAP Coordinator Sonnie Allen has been trying to do weekly or bi-weekly trips to Fort Sill to deliver cardboard, plastics, empty ink cartridges or paper. In addition to recycling the GAP program is also starting to focus more on Climate Change. In the coming quarter we will be attending several trainings regarding climate change. As climate change is a geographic problem we will also be looking into how we can integrate Geographic information system (GIS) and Global

Positioning systems (GPS) to help people become more productive, more aware and more responsive to the effects of climate change and how we can each do our part to help.

Conferences and Trainings

During the First quarter, WDEP Director Jason Prince attended the 18th Annual Inter Tribal Summit in Dallas, TX, December 3-5, 2014, the RTOC Caucus Meeting on December 2, 2014 in Dallas, TX. And on December 3, 2014, WDEP Director, Jason Prince attended the Full RTOC meeting during the 18th Annual Inter Tribal Environmental Summit in Dallas, TX. On December 3, 2014, Director, Jason Prince also attended the Western Oklahoma Tribal Environmental Coalition meeting held during the Inter Tribal Environmental Summit in Dallas. During the Second quarter, GAP Coordinator Sonnie Allen attended the TECO meeting at the Sac and Fox learning center in Stroud, OK on January 20, 2015. On February 23, 2015 GAP Coordinator Sonnie Allen and the WDEP staff attended the WOTEC meeting at the Wichita Mountains Wildlife Refuge Visitor Center. GAP Coordinator Sonnie Allen attended the Tribal Environmental Coalition of Oklahoma (TECO) meeting in Stroud, OK on March 17, 2015. WDEP Director Jason Prince attended the RTOC meeting at the Hard Rock Hotel and Casino in Tulsa, OK on March 24-25, 2015. On April 29, 2015 WDEP GAP Coordinator Sonnie Allen attended the WOTEC meeting at the Comanche Nation Headquarters. On May 19, 2015 WDEP Director Jason Price attended the Tribal Environmental Coalition of Oklahoma (TECO) meeting in Stroud, OK.

GAP Program Outreach
WDEP handed out candy and environmental educational handouts to trick or treaters on October 31, 2014.

On November 13, 2014 WDEP Director Jason Price participated in the America Recycles Day Event held at the Delaware Nation Complex. On December 17, 2014 WDEP GAP Coordinator Sonnie Allen gave a presentation and handed out environmental coloring sheets and educational handouts regarding recycling to the Cad-do Nation Head Start. On March 11, 2015 WDEP GAP Coordinator Sonnie Allen and Water Coordinator Craig Watkins assisted the Delaware Nation EPA with Macro Invertebrate collection. On March 21, 2015 the WDEP in conjunction with the Great American Clean up and Keep Oklahoma Beautiful hosted and participated in a Trash off event. GAP Coordinator Sonnie Allen gave a presentation over Climate Change to the Wichita Administration on Aging on March 25, 2015.

Annual Program Reports to Tribe

On March 28, 2015 WDEP GAP Coordinator Sonnie Allen and the WDEP Staff volunteered and set up a booth to hand out environmental educational materials during the Wichita Tribe’s Community Easter Egg Hunt. On April 16, 2015 GAP Coordinator Sonnie Allen participated in the Delaware Nations Trash off event. The WDEP GAP Program held a trash off / Tire disposal event on April 18, 2015. DOMESTIC FAMILY VIOLENCE & VICTIMS OF CRIME ACT PROGRAMS

Mission Statement To assist clients involved in domestic violence, family violence, victimization, and/or sexual assault. The DFV program will assist in transportation, shelter, relocation, food/clothing, counseling referrals, community resources, and advocacy. The VOCA program will assist client in completing forms to file with the District Attorney office for reimbursement of expenses occurred. The client is required to participate with prosecution within one year window. Also our efforts will

be focused on a Community Coordinated Response Team (CCRT) with local tribal entities. We will join hands with the tribal entities to better serve the community with victimization issues. By joining hands with BIA, IHS, and other tribal entities could set precedence and possibly opening the door to getting the rest of the community involved in this serious issue.

Program Update Our Victims Advocate, Lois Samaniego began in October 2014.

Our program assisted 9 families with shelter, transportation, groceries/hygiene items, referrals, utility/rent payments, and clothing.

Our program completed 7 referrals for services shelter, protective order, legal aid, community resources, transportation, and services available.

The VOCA grant was re-funded and we were notified by email on June 17, 2015. The budget amount doubled in size so that we can utilize funding to assist more families that were victimized.

Our program set up a display table and we distributed program information through flyers, victim rights cards, and business cards. The program information was distributed at 2014 Annual Powwow, 2014 General Council, State Capital, Women’s Breast Cancer Awareness Day, BIA Safety Fair, Monster Bash, Diabetes Awareness, Collarborship/Comanche Tribe, Community Egg Hunt,

WICHITA AND AFFILIATED TRIBES TRIBAL GOVERNMENT SERVICES

The Wichita and Affiliated Tribes’ tribal government services office offers a variety of services. We provide enrollment services, burial assistance to assist tribal members with burial expenses, children’s clothing assistance for children 17 and under, elder’s assistance for adults 55 and over, and maintaining the tribal gift shop.

The Enrollment Office has one individual on staff, Amber Komahcheet. She is an enrolled member of the Seminole Nation. She has worked in the Mental Health Field for over 25 years; assisting DHS, numerous tribes, BIA courts and IHS. She has a Bachelor of Science degree in Sociology and a Master’s Degree in Applied Behavioral Studies. She is licensed through the State of Oklahoma as a LADC (Drug and Alcohol).

The Enrollment Office is located at the Wichita Tribal Complex in the Administration building which is north of the Bureau of Indian Affairs, South-

ern Plains Regional. The business hours are from 8:00 AM to 12:00 PM and from 1:00 PM to 5:00 PM, Monday through Friday. Amber may be reached at (405) 247-2425, extension 134, or by email at amber.komahcheet@wichitatribe.com.

ENROLLMENT

The Enrollment office is responsible for processing enrollment applications by researching family history and creating family trees. We provide statistical data and membership information to our program offices and the Bureau of Indian Affairs. CDIB cards and Tribal Photo Identification cards are available to tribal members. CDIB cards are processed without charge, but all Photo IDs are \$5.00 each. Tribal members may obtain copies of their birth certificates and social security cards by written request only. The enrollment office updates addresses when a written request is submitted. Any name changes will be processed when supporting documentation is submitted to this office. We also assist in tribal elections and mailing of monthly newsletters.

The enrollment department continues to enroll new members and currently has a total of 2,837 tribal members. In the past year there have been 81 new members. The oldest member of the tribe is 92 who reside in Caddo Co. There are Nationwide 1007 enrolled minors and 176 enrolled members between the age of 18 to 21.

BURIAL ASSISTANCE (Guidelines)

We were able to assist family members of enrolled Tribal Members during their time of need with Burial Assistance. The Burial Assistance Program provides financial assistance in meeting the burial expenses up to \$7,000.00. Burial benefits can be applied towards: transportation to burial site, casket, vault, preparation, grave marker, headstone, cemetery plot, opening and closing of grave, memorial folders, obituary, and death certificates. Other costs such as honorariums, Pendleton blankets, and expenses related to rentals will not be included.

All tribal members whose name appears on the roll and all those eligible for membership with the Wichita and Affiliated Tribes at the time of their death will be eligible. Applications for assistance must be filed within ninety (90) days following the decedent’s death by the next of kin or other person responsible for burial arrangements. The application must provide information on the decedent and the burial expense claim, together with the required documentation. The original certified death certificate and signed bill from the funeral home must be provided. Guidelines will be reviewed on an annual basis and the Wichita Executive Committee will make adjustments, as deemed necessary, to the amount of payment.

CHILDREN’S CLOTHING ASSISTANCE (Guidelines)

There are currently 977 tribally enrolled children who are eligible for Children’s clothing assistance. The Children’s Clothing Assistance Program of the Wichita and Affiliated Tribes is for the purpose of providing financial assistance for the purchasing of clothing

Annual Program Reports to Tribe

for enrolled children of the Tribe. The program is for all tribally enrolled children, ages 17 and under by September 30, and those eligible for enrollment who have applied by September 30 and have submitted all required documentation for enrollment along with the Children’s Clothing Application signed prior to September 30. All receipts for clothing purchased must be turned in no later than March 31; otherwise, the following year’s assistance will be denied. Items that may be purchased through this program include shoes, shirts, pants, shorts, socks, and undergarments. Diapers for small children under two may be purchased not to exceed \$50 for that child. Guidelines will be reviewed on an annual basis and the Wichita Executive Committee will make adjustments, as deemed necessary, to the amount of payment.

The Children’s Clothing Assistance Program is currently processing payments for the 2015-2016 school year.

ELDER ASSISTANCE PROGRAM (Guidelines)

This year there are 275 tribally enrolled elders that will be eligible for the Elder’s Assistance this year. The Elder Assistance Program is for the purpose of recognizing, showing respect and honor and assisting elderly members of the Wichita and Affiliated Tribes who are 55 years of age or older through an annual annuity payment. All tribal members over the age of 55 and those that become 55 during the calendar year are considered eligible. All elderly members, regardless of residence are eligible. Each tribal member in the age group of 55 and older will be notified either by mail or through the tribal newsletter with the information as to the amount, when and how the annuity payment will be made. Guidelines will be reviewed on an annual basis and the Wichita Executive Committee will make adjustments, as deemed necessary, to the amount of payment.

TRIBAL GIFT SHOP

The Gift Shop has a variety of: T-shirts, Sweatshirts, Hoodies, Jackets, Caps, Coffee Cups, Mouse Pads, Wichita Language Lessons, Key Chains, Beaded key chains, and many other miscellaneous items. During this year the Gift Shop purchased the Wichita and Affiliated Tribal Pendleton which are available. The Gift Shop also has available vanity tags with the tribal logo and tag frames which read KITIKITISH on the top and WICHITA WACO KEECHI TAWAKONI on the bottom. We are always open for suggestions on what the members would like to see available for purchase in the gift shop.

Indian Community Development Grant (ICDBG) Annual Report-July 18, 2015

Funding Agency: U.S. Department of Housing and Urban Development-Southern Plains Office of Native American Programs-Oklahoma City, OK.

Program Activities:

Wichita Travel Plaza: On September 18, 2012 I was hired as the temporary Director to administer the ICDBG program and complete the Wichita Travel Plaza Project. The project was completed on September 26, 2013. On October 01, 2014 I was hired as the full-time Director.

Wichita Historical Center: The Tribe working together with the U.S. Army Corps of Engineers submitted a grant application to ICDBG-HUD in Oklahoma City, OK in the amount of \$800,000.00 for the grant application due July 29, 2014. The project is entitled the Wichita Historical Center and includes a 4060 s.f. building which can be used as a museum and a teaching facility for Native American History with arts and crafts, and adequate space for the “Wichita Memories” display. The project also allows space for a Wichita village with a grass house and a dance arena. The Tribe was notified by ICD-BG-HUD on September 29, 2014 that the grant was approved in the amount of \$800,000.00 effective October 01, 2014. Currently, preliminary plans are to construct the project east of the Travel Plaza in the same twenty acre clearing as the Conoco station. Construction is estimated to begin in August of this year.

Current Activities: After receiving notification of the grant approval a new Implementation Schedule was requested by the funding agency which was developed, sent and approved. The Tribe is also required to submit an Annual Status and Evaluation Report (ASER) which was sent and approved by the funding agency on November 14, 2014. The Tribe is required to develop an Environmental Review Record for each HUD funded project on Tribal property as they are considered the Responsible Entity for the EPA regulations. An Environmental Assessment was conducted on the twenty acre site and a “Finding of No Significant Impact on the Environment” was submitted to the funding agency along with a Request for Release of Funds. Our Program Specialist from the HUD office notified us on June, 29, 2015 that the funds for the project will be released

effective July 01, 2015. Tribal members are requested to submit any ideas and historical items they may contribute to the museum. Tribal members will also be asked to participate in the project during the construction of the grass house next spring.

ANNUAL REPORT Reporting Period (July 2014 to June 2015)

INDIAN CHILD WELFARE (ICW)

ICW staff provides comprehensive case management services to children who have been removed from their homes and placed in State and/or Tribal custody with the goal of reunification with parent(s) and/or relatives. Crisis intervention, coordination of services, referrals, education and training, court advocacy, family support and foster care are some of the services provided to eligible children within Oklahoma and nationwide to the extent feasible. In September 2014, we were given authority by the Bureau of Indian Affairs to oversee and manage the Caddo Nation ICW cases, as well. During this reporting period, we began with 37 Wichita and 37 Caddo children who were in State and/or Tribal custody and have 37 Wichita and 35 Caddo children in custody going into the 2016 reporting year. During 2015, we had new cases, closed out cases and cases remaining from the year(s) before. We achieved a total of 15 reunifications, 13 adoptions, 7 guardianships and had 2 age out of the system.

PROMOTING SAFE AND STABLE FAMILIES (PSSF)

PSSF provides preventive services to keep children from being removed who have been placed at risk for child abuse and/or neglect. Services are based on assessed needs necessary to ensure that families stay together as one unit, to achieve stability and to provide assurance and safety to the affected children. Services may include referrals for individual/family counseling, parenting skills, drug/alcohol treatment, budgeting classes, stress management/coping skills and/or financial assistance for rent, deposits, utilities, groceries, household items and/or basic necessities. During 2015, services were provided to 28 Wichita children from 15 families. These same services were also provided to 6 Caddo children from 3 families (using ICW funding).

CHILD WELFARE SERVICES (CWS)

CWS provides crisis assistance to children who are placed in out-of-home care and to tribal members who are in involuntary custody proceedings in State or Tribal Court; also provides assistance to families experiencing some type of crisis that may put the children at risk for removal from their home. Services are based on assessed needs related to the reunification of children with family and prevention of children being removed from the home. During 2015, services were provided to 41 Wichita children from 16 families.

These same services were also provided to 6 Caddo children from 5 families (using ICW funding).

FOSTER CARE PROGRAM (FCP)

FCS staff recruits Wichita and Caddo tribal members, other tribal members and other individuals to become foster parents for our children in custody. We currently have 8 certified Tribal foster homes, an increase of 4 since last year. Recruitment efforts are always ongoing to seek prospective foster parents.

WICHITA AND AFFILIATED TRIBES Mental Health/Chemical Dependency Program Linda Bruner, ICADC, Counselor REPORT TO THE INDIAN PEOPLE July 1, 2014 –June 30, 2015

The Chemical Dependency/Mental Health Program was established to provide Substance Abuse services to the Wichita and Affiliated Tribes and non-indigenous tribal members living within the ten county services area which include the following counties: Caddo, Comanche, Grady, Stephens, Jefferson, Cotton, Tillman, Kiowa, Jackson and Harmon. The Wichita and Affiliated Tribe employs Linda Bruner, as Counselor, an International and State Certified Professional Alcohol and Drug Counselor.

The Chemical Dependency/Mental Health program provides addiction services to tribal members seeking help. Beginning with an assessment to determine the needs of the client we then discuss the best course of action for planning treatment goals. Each client must present their CDIB; their tribal I.D. number is used to maintain confidentiality. They then sign all required paperwork. The type and length of treatment services are determined individually, according to needs of client.

Additional services include youth ages 8 to 18 years old. We are given referral for adolescents through tribal, state, and other agencies such as Public Schools, Department of Human Services, and The Oklahoma Department of Juvenile Services.

Mental Health services are by referral to area providers. Standard conditions for Mental Health referrals include: Psychological assessments, determination and severity of illness, Crisis Intervention, and Outpatient counseling with a Mental Health Professional, if needed.

CHILDREN’S CLOTHING ALLOWANCE

Don’t forget to turn in your Children’s Clothing Allowance receipts. You have 90 days from the date of issuance to turn in, to avoid disqualification for next year’s distribution.

Do You Have Community News to Share?

Wichita Food Distribution Program (FDP)

Beth Parker, Director
Melonie Saldana, Administrative Assistant/Outreach
Clifford Swift, Warehouse Supervisor
James Collins, Warehouseman I
Phealin Whish, Warehouseman II
David (Butch) Leonard, NICOA Worker

The Wichita and Affiliated Tribes Food Distribution Program will be completing an exciting year on September 30, 2015. We are very excited to let everyone know that we have applied for a Community Garden grant and we were notified on June 5, 2015 that we have been awarded! The community garden will consist of a greenhouse, provide nutrition education, food demonstrations and hands-on gardening. The goals of the community garden will to make ½ your plate fruits and vegetables, reduce sodium intake through cooking with herbs and to promote physical activity. More information will be coming in the next few months regarding the garden project and we hope everyone will be as excited as the FDP staff are.

The FDP program have participated in many events in the community as part of our outreach efforts. Some of the events we have attended were the Honor the Child event hosted by the Child Care Development program; the Breast Cancer Awareness event hosted by the Wichita and Affiliated Tribes Health Department; Delaware SummerFest and the Cops for Kids Bike-A-Thon, sponsored by

the Anadarko Police Department.

We will continue to promote the Wichita and Affiliated Tribes Food Distribution Program throughout the coming year at various events in order to bring awareness to healthy eating and physical activity. If you see our booth set up, please stop by and visit, we always have fabulous prizes for you to take.

Throughout the year, the FDP program has served an average of 64 households on a monthly basis. We have added some new products into our food package such as Fresh Squash, Fresh Grapes, Fresh Cucumbers and Fresh Mixed Fruit. During the fall, we will be receiving Bison, which is a meat that is very low in fat. Other fresh items that may be available during the fall are Clementines and Cranberries. We are still keeping our fingers crossed that Frozen Pork Chops will be available in the next few months which were a very popular item in the FDP food package.

The FDP program continues to offer cooking/food demonstrations provided by Melonie Saldana, FDP Administrative Assistant/Outreach Worker. We encourage everyone to come and see what fresh new ideas she has and how to better utilize the items available in your FDP food package. We will have our next food demonstrations in September, so keep a lookout for the flyers!

During the Wichita Annual meeting, we will be having an Open House. We want our tribal members to see our store concept and get to know our staff and what they do on a daily basis. We will have drawings every hour for anyone who comes to our building to sign up and take a tour of our building. We hope to see everyone on July 18, 2015.

If you would like more information regarding the Food Distribution Program, you may contact our office at 405/247-9677 or stop by our office and someone will be happy to assist you.

ANNUAL REPORT COMMUNICATIONS Reporting Period (July 2014 to June 2015)

NEWSLETTER
When this fiscal year began, the newsletter was being printed in house at a high cost in both time and money. Since the first of the calendar year, the news has changed format, now as a newspaper. This publication is outsourced for print and the cost is a fraction of what was spent in copies before. The paper also comes ready for distribution, leaving us only label and take to post office. The time savings are great as well. This format has allowed for bulk mail permit pricing and, therefore, the postage for shipping them to tribal homes has decreased significantly. I feel that with the increase in feedback, and comments that are sent in, the readership has increased, as well, which is the goal overall.

SOCIAL MEDIA
The tribe has a social media presence on Facebook (Wichita and Affiliated Tribes), Twitter (@Wichita_Tribe), and a WordPress blog (@wichitatribe). I have recently started a Flickr account for excess photos taken that aren’t distributed in another format. Please follow the different feeds for the most current news and in-

formation. Different information is distributed in different channels, so getting a mix is best.

WEBSITE
I have been working to update and somewhat revamp the website (www.wichitatribe.com). This is an ongoing process. I am still needing to make some modifications and additions, and would like to add fillable forms for program services application, but this is in process.

APP
The mobile app is underused at the moment. This does have a feed from the WordPress blog and is being upgraded to allow for gift shop purchases via mobile phone. More advertising of these features will be coming soon.

OTHER PUBLICATIONS
I have worked on a programs

and services resource booklet that will give members a directory of what programs are available, the services that they offer, and staff involved. This will be published in PDF format online, given to newly enrolled members, and at membership request. I also assist in the production and dissemination of program flyers and materials.

MEDIA STREAMING
I am currently adding a streaming video component to this program, beginning with the annual general council meeting broadcast. There are many opportunities to stream or upload video and audio content to keep the council in touch with the goings on with the tribe. Great new things to come!

Obituaries

Micah Sarah McAdams, 41, of Anadarko, was born January 30, 1974, to Gar Lynn and Adrina Sue (Standing) McAdams in Lawton. She passed away Thursday, July 9, 2015, in Anadarko.

Micah was raised in Gracemont and graduated from Gracemont High School excelling in academics and sports and was valedictorian of the Class of 1992. She was honored by Duke University’s Talent Identification Program (TIP) for mathematically and verbally brilliant students. Micah was also selected for All-Conference in basketball where she played guard. She loved sports and was an avid OU and OKC Thunder fan. Micah enjoyed beadworking, playing pool, cooking, spending time with her friends and listening to music. She was a member of the Wichita and Affiliated Tribes and took part in the Wichita/Pawnee Visitation (one of the oldest ceremonies the Wichita people have). Micah loved playing Handgames; it was something close to her heart. Spending time with her nieces and nephews we3re always enjoyable where they played games, sang silly song and read. Micah loved to laugh and tease.

Preceding her in death were her mother, Ardina McAdams; three uncles, Leslie McAdams, Ronnie Birch and McKinley “Sonny” Standing; two aunts, Josephine Parker and Ramona Ahdunko; grandmothers, Nettie Standing and Elva McAdams; grandfathers, Lewie McAdams and Phillip Standing. Survivors include her father, Gary McAdams of Anadarko; two sisters, Kelly McAdams and her fiancé, Chris Webster of Oklahoma City and Cassandra McAdams of Anadarko; five nieces, Makennah R. McAdams, Charlie D. McAdams, Lindy Chalepah and Adrian Nawa Spottedhorsechief; best friend, Addison “Addie” Chalepah; one nephew, Kody Chalepah; two aunts, LaVerna Capes of Anadarko and Donna Steinberg of Gracemont; two uncles, Mike Standing and his wife, Joyce of Guthrie, Alfred Standing and his wife Marge of Mesquite, Texas and J.D “Creek” McAdams and his wife, Darlene of Gracemont; long-time childhood friends and family, Diana Standing, Nikki Owings-Crumm, Terri Parton, Susan Kingsley-Churchman and Cheryl Frank as well as numerous cousins, extended family and acquaintances.

Micah’s infectious laugh and smile will be greatly missed by all who knew her.

A Prayer service was held at 7 P.M., Sunday, July 12, 2015, at the Wichita Tribe Community Building. The funeral was at 11 A.M., Monday, July 13, 2015, also at the Wichita Tribe Community Building. Burial followed in the Rock Spring Cemetery under the direction of the Steverson Funeral Home. Online condolences may be left for the family at www.steversonfuneralhome.com.

Georgia Ellen (Williams) East left this earthly world on July 12, 2015 at the age of 92. Georgia was born at her parent's home North of Anadarko on February 22, 1923. it was a cold night but Georgia had a warm heart which she shared throughout her life. She attended Camp Creek, Anadarko, and Fort Cobb Schools. She graduated from Fort Cobb High School in May 1940. After high school she attended Oklahoma College for Women in Chickasha, Oklahoma for one year.

After the war (WWII), broke out she went to Wichita, Kansas and worked at a Boeing plant where she helped build the aircraft. She later went to California to visit her sisters, Helen and Aileen., On the trip to California she met her husband-to-be, Jesse P. East (supposedly the only seat available on the train was next to him). Jesse and Georgia were married November 13, 1945 in Hutchinson, Kansas. To this union were born four children: David L., J. Philip, W. Arthur, and Patricia A. Georgia was a home maker and kept the books for her husband's construction business., After Jesse's passing in 1982, Georgia became more involved in bowling, the Fort Cobb Improvement Club, and the Fort Cobb Senior Citizens Organization. Georgia won the Class C division of the National Senior Champions Bowling Tournament in Tulsa in 1985. She was also a big Fort Cobb sports fan and attended all the baseball and basketball games she could. She was always involved with various activities of the Fort Cobb First Baptist Church. Georgia was a member of the Wichita and Affiliated Tribes.

Georgia is preceded in death by her parents, Frank and Louise Williams; husband, Jesse East; siblings: Helen, Aileen, Geraldine (9 mos), and Owen and son, Arthur.

Left to cherish her memories are her sons: David and Philip East; daughter, Patricia East Smith; grandchildren: David East Jr., Joel Boyiddle, Kara Gallacher, Felicia Stenger, Amber Houdek, Arron East, and Joshua East; great grandchildren: Sydney Edmondson, Ashtyn Stenger, Seth Houdek, Dakota East, Cheyenne East, Dane Stenger, Gracie East, Axl East, Kaelan Gallacher, and Asher East; numerous nieces, nephews and many wonderful friends.

Celebration of life service were held at 11:00 A.M., Thursday, July 16., 2015 at the First Baptist Church in Fort Cobb with Rev. Leon Shade officiating. Burial followed in the Oak Grove Cemetery, Fort Cobb, Oklahoma. Services were under the direction of the Fort Cobb Funeral Home, Fort Cobb, Oklahoma.

Visitation was Tuesday, July 14 from 9:00 A.M. - 8:00 P.M., Wednesday 9:00 A.M. - 8:00 P.M. with the family greeting friends and family from 6:00 P.M. - 8:00 P.M.

Condolences may be sent to the family at www.smithfuneralservices.com

Wichita Church at Rock Springs

This old photo of Wichita Church at Rock Springs was taken in 1911. The young Wichita ladies in the photo are Tor-Chiddy-Wah, first cousin to Rose sisters; Mary Rose and Bertha Campbell Rose (sisters); Kitty-Wah-As-Os (mother); and Kor-Ace-Us (aunt). The pastor in the photo named Kiowa is Wichita. The white missionary lady is Mrs. Georgia Dyke of Boston, Mass.

Note: John McIntosh first encountered the Wichita’s campsite before he came to Rock Springs where he preached to the Wichita people on horseback. That campsite is now the allotment of Bertha Campbell Rose.

Today, there is a historic site marker where John McIntosh preached, established in 1942.

The mother of Kitty-Wah-As-Os, Kor-Ace-Us, and their brother De-Ah-De-Ah, is buried on the allotment of Bertha Campbell Rose. Her name is Tow-Ah-Hay. She was a Mexican captive, raised by Wichita families and their customs. These families are now the Rose and Lamar families. Kitty-Wah-As-Os was the wife of Ots-Ah-Yox (Chi-Ox), the first pastor of the Rock Springs Church. He died in 1899, before allotments.

Wichita and Affiliated Tribes Children’s Clothing Assistance Program Notice for FY-2015

**Applications are still
available. Must be recieved by
September 30, 2015.**

BENEFITS: The Wichita Executive Committee, by a vote of 5-0-0 on Tuesday, June 30, 2015, that all enrolled children of the Wichita and Affiliated Tribes ages 17 years of age and under will receive \$150 in assistance for the purposes of purchasing clothing. Children must be enrolled by 09/30/2015 to receive the benefit for FY-2015.

WHO MAY APPLY: Due to problems in the past between Parents and Grandparents, Aunts or Uncles, only Parents or Legal Guardians may apply for Clothing Assistance for the Children. If a Grandparent, Aunt or Uncle is applying for someone for Children’s Clothing they must have written consent from the parent to apply and to pick up the check. It is stated in the Children’s Clothing Assistance Guidelines that only parents or legal guardians may apply. If we do not have written consent from the parent it may delay the issuance of the Children’s Clothing Check.

RECEIPTS: Receipts for clothing purchases from this year’s program (FY-15) must be turned in to the Enrollment Office in order for your child(ren) to be eligible for FY-2016 Children’s Clothing Assistance. You as the parent or legal guardian are responsible and must take responsibility to ensure that your child(ren) receipts are returned.

ACCOUNTANTS' COMPILATION REPORT

Wichita and Affiliated Tribes
Anadarko, Oklahoma

We have compiled the accompanying balance sheet – Governmental Funds of the Wichita and Affiliated Tribes as of June 30, 2015, and the related statement of revenues, expenditures and changes in fund balance – Governmental Funds for the fiscal period to date ended June 30, 2015, and the budget to actual expenditures comparison of Tribal Funded Programs, other general funds, and special revenues fund for the period ending June 30, 2015, and the accompanying supplementary schedules listed on the table of contents for the period ending June 30, 2015 or as otherwise noted in the table of contents, which are presented only for supplementary analysis purposes. We have not audited or reviewed the accompanying financial statements and supplementary schedules and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and supplementary schedules are in accordance with accounting principles generally accepted in the United States.

Management is responsible for the preparation and fair presentation of the financial statements and supplementary schedules in accordance with accounting principles generally accepted in the United States and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements and supplementary schedules.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements and supplementary schedules without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements or supplementary schedules. During our compilation, we did become aware of a departure from accounting principles generally accepted in the United States that is described in the following paragraph.

The financial statements and supplementary schedules do not present governmental fund balances based on the appropriate level of constraints imposed upon the use of funds in accordance with accounting principles generally accepted in the United States. Accounting principles generally accepted in the United States require governmental fund balances to be classified in a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. The effects of this departure from accounting principles generally accepted in the United States on these financial statements and supplementary schedules have not been determined.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about Wichita and Affiliated Tribes financial position and the changes in financial position. Accordingly, these financial statements and supplementary schedules are not designed for those who are not informed about such matters.

This report is intended solely for the information and use of the Wichita and Affiliated Tribes Executive Committee, and is not intended to be and should not be used by anyone other than these specified parties.

We are not independent with respect to the Wichita and Affiliated Tribes.

Kitikiti'sh Scholarship Winners

Sydney Prince

is the 18 year old daughter of Shelly Griffiths and Jarrod Prince. She is a proud enrolled member of the Wichita and Affiliated Tribes and also a long standing member of the Wichita Kitikiti'sh Little Sisters Organization. She was the 2011-2012 Wichita Kitikiti'sh Little Sisters Princess, 2013-2014 Wichita Tribal Princess, and currently represents as the 2014-2015 Miss American Indian Exposition Princess. Sydney Prince recently graduated as valedictorian of the Anadarko High School graduating class of 2015. Her future endeavors include attending Redlands Community College, then to transfer to the University of Oklahoma to obtain both a master and doctoral degree. Her chosen field of study is in psychology, she hopes to become a criminal profiler.

"It is with the most sincere appreciation that I thank the Wichita and Affiliated tribes for this opportunity to pursue my goals and dreams. You have aided in lifting a financial burden and I appreciate the opportunity that is before me".
Sincerely,
Sydney Prince

Gage Boardingham will begin his Doctorate program in Pharmacy at OU this fall. He is engaged to Kaeli Mezses and has one son, Gageriel. He is the son of Michele Punley. Grandson of Norman and the late Ruby Beartrack-Punley and Great grandson to the late Arthur and Zelda Punley.

Meet the Interns

Lucius Jay

Saldana, is the son of Melonie Sue French Saldana (Food Distribution Outreach Worker) and Tito Saldana (Maintenance Supervisor). He is the grandson of Robert Earl French Sr. and Mary Ah-haitty. Lucius will be a senior at Anadarko High School, this term. His hobbies include basketball and gearing up for basketball. He hopes to attend Fort Lewis College in Durango, Co., to be near family, and major in Multi-Cultural Psychology. His favorite parts

of the internship were working with the kids and in Food Distribution. He has learned about the Wichita culture through this experience in handgame lessons and the Ark City, Kans. visit. He also learned that working is a blessing and a curse, saying that the money in your pocket is nice, but the early mornings and long days, can be tiring. He would like to say thank you for the opportunity. He is grateful to Terri Parton and the committee for allowing him such, and looks forward

to reapplying next year.

Aleasia Wauah-

dooah, is the daughter of Francine Farrah Wauahdooah Nixon and Eddie Nixon. She is the granddaughter of Leah Hardiman, and great-grand-

daughter of the late Betty and Dennis Wauahdooah. She will be a Sophomore at Anadarko High School, this term, setting her on track to graduate in 2018. Her plans upon graduation include attending Grand Canyon University to pursue a Registered Nurse degree or something in the legal field, as her interest was sparked on the trip to visit tribal attorneys Hobbs, Straus, Dean, & Walker. She aims to become a positive role model in the community, with potential toward motivational speaking. Prior to the internship, she had little understanding of the Wichita people or culture. The trip to Ark City, KS taught her about the Wichita history and

made her more aware of the decrease in population and she is concerned with the loss of the language. Her favorite parts of the internship were the visit to Hobbs-Straus and working in for the Health Programs. This internship taught her that early mornings are tough and it requires dedication and motivation, and that you need to set aside personal differences to work together with varieties of people in a work environment. She said, "Thank you to Terri Parton, Breezy Prince, and James Nelson for allowing me this experience. I look forward to applying again next year."

Jessika Jones, just finished the second term as intern for the Wichita and Affiliated Tribes. She the daughter of Jesse E. Jones and Katherine Cozad, and the mother

of Haylee (3) and Jacob (2) Poafpybitty. She will be returning to Oklahoma University this fall, as a Junior, pursuing her BS in Accounting. Her favorite parts this year were the trip to tribal accountants' Finley & Cook, and her in depth work in Enrollment. She enjoyed that type of work most of all, due to the need for organization, one of her strong suits. This work environment, in that department especially, taught her about maintaining her cool under pressure and controlling her emotions. She liked the trip to Ark City, teaching her that our people were the first in this area, and she was baffled

by the numbers of Wichita in Kansas, Oklahoma, and Texas then compared to our current enrollment. She is considering an application next year to the tribal enterprise Anadarko Industries for a summer internship, if she can handle being away from her children for the opportunity. She would like to thank President Parton and the Executive Committee for allowing her a second year, saying, "I feel like I became more aware of what the Tribe does as a whole. Hopefully, I will be able to work for the Tribe in Houston someday."
